CORRIGENDUM

Sub.: Items to be included in the tender

Ref: Tender No.KCCP/TENDER/1824/2024-25 Dated 28.11.2024

With reference to the above, the following amendments are required:

1. PV panels should be in the list of MNRE approved list of models and manufacturers (DCR PV panels)
2. Inverters should be MNRE approved
3. The bidder should include AMC charges for 8 years from date of installation. Total AMC cost per annum should also be provided.
4. The bidder should work with BPCL to ensure that all items are as per specifications stipulated by them to ensure the release of BPCL subsidy for the solar power plant.

All other terms and conditions of tender remain unaltered.
